Good afternoon,

We got the last RFP in for the gateway signage project. Is everyone available on Tuesday at 9:30am for a meeting to select a contractor?

FYI, my son is graduating college and I will be in Arizona from Thursday to Monday, May 11-15, 2017 to attend his graduation.

Thank you,

Lorena Parker

Hi Andy, Thanks for taking time to speak with me yesterday. Per your request, attached is our proposal for the gateway sign at the intersection of West 6th St. and N. Harbor Blvd. in San Pedro.

If you have any questions, do not hesitate to contact Jon Cicchetti or myself at this email address or at (562) 989-1899.

Thank you for the opportunity to submit this proposal.

Sincerely,

Anna Mendolia, ASLA

We are requesting RFPs to work with an design or branding agency on designing a new Gateway for the intersection of [West 6th Street and North Harbor Blvd](#) to represent the area. It is known to be a high traffic zone on weekends, near Ports O' Call, and the upcoming San Pedro Public Market. There is also High Wind.

This project will be the start of the re-branding effort for the San Pedro Historic Downtown Waterfront District. I attached a PDF of samples to show you samples of a few arch ways from other cities for day and night as references including an older concept we had for the intersection.

This is a request for quote to pay for work on the following deliverable:

- Concept design
- Photo mock-ups day and night
- 3D rendering (if possible)
- Branding research

We are not looking for engineers or technical details at this time until after the concept phase.

Please call me at (562) 989-1899 Monday to Friday 9am-5pm for additional details to help get the quote ready if interested.

We need this Quote ready by early next week 4/28/17.

Best regards,  
Andy Pham, Marketing Manager
